About Us

For several years, we hosted an annual Pride festival in Venice, Florida bringing together the LGBTQ+ community and allies in a day of celebration. We rallied around the message “We Are Here”.

The response was overwhelmingly positive. It led to a growing demand to find more ways to advance the visibility, voice and participation of the diverse LGBTQ+ community and allies.

In 2019, we established Venice Pride, Inc. and in 2020 we obtained our non-profit 501c3 status. In 2021, we developed our *Strategic Plan* to identify a path forward for 2022 to 2024.

This document highlights the key components of our *Strategic Plan* and our commitment to join with many others to serve the LGBTQ+ community and allies living in the Suncoast region of Florida. We invite you to join us on this journey!
